Why Cheer Challenge All-Stars?

Everyone is placed on a team, regardless of experience! This means we have a team for everyone! We have all-star teams levels 1 through 6. We also offer exhibition, prep, and novice cheer teams. New friendships and memories are created each year.

Our Prices are VERY AFFORDABLE compared to other gyms in the area! We offer the BEST PRICE for the product! We take your family needs in to account and make our competition schedule to reflect that. We understand all-star cheerleading is a financial commitment, and we want every aspiring cheerleader to have an opportunity at this amazing sport!

We focus on every team! All of our teams from levels 1 to 6 are treated the same. Every member of our coaching staff helps with each team to insure our program appears polished and cohesive at competition.

1 Location! We are centrally located in Chesterfield County. All CCA teams practice in the same facility. There is no traveling between gyms to get your child to practice.

We are FAMILY! CCA was founded by mother and daughter team, Karen and Jessica. The program is now owned wife and husband team, Jessica and Mike. They began the program in 2000 and opened the doors to the current facility in 2007. "We strive to promote a friendly, family atmosphere where everyone feels welcome. We personally know each child by name and make a great effort to get to know each member personally."

Tumbling is Included! CCA is the only gym in the area that offers tumble classes included in low monthly tuition to all registered cheer members. We offer tumble classes by level each week that are included in your monthly tuition. You are encouraged to attend your level class to improve your tumble skills!

Cheer Challenge Evaluation Process

The evaluation process is very casual and fun! The athletes meet the staff and new friendships are formed. We evaluate the athletes in small groups on their jumps, tumbling, and stunting ability. Everyone is placed on a team! After evaluations, the staff will set teams. Many key elements factor into the decision. Keep in mind all CCA teams are built to compete at a high level.

Age:

The age cut off date for eligibility for the 2019-2020 season is August 31, 2019. The age you are on this date will determine your "competition age".

Tiny Exhibition: ages 3 ½ years to 5 years

Tiny Novice: ages 3 ½ years to 5 years

Tiny Compete: ages 5 to 6 years

Mini: ages 5 years to 8 years

Youth: ages 5 years to 11 years

Junior (Levels 1-3): ages 5 years to 14 years

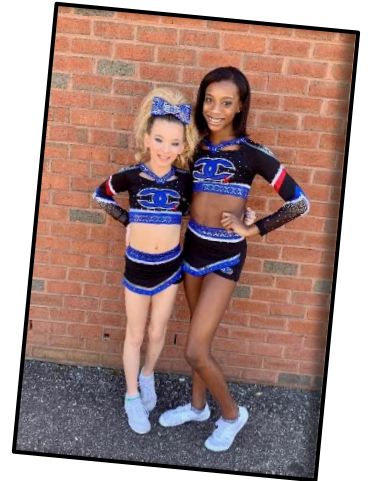

Junior (Level 4): ages 8 years to 14 years

Junior (Levels 5): ages 9 years to 14 years

Senior Level 1-4: ages 11 years to 18 years

Senior 5: ages 11 years to 18 years (previously restricted)

Senior 6: ages 13 years to 18 years (previously level L5 worlds)

Levels:

We will form our teams by age group and set a level for the team where they can be competitive. The "level" refers to the type of stunts, pyramids, and tumbling that a team can safely perform. They are numbered from 1 to 6, in increasing difficulty. The level of each team is determined solely by the coaching staff and may change as the season progresses.

Placement:

We match up the athletes by level the best we can, but please remember that stunting, pyramids, jumps, dance, motions, and age are huge factors as well. We choose our teams based on the position we need to fill (bases, flyers, tumblers, etc.). **Every athlete is on the team for a reason – please trust our staff!**

Tumble Guidelines Per Level:

Please take advantage of the tumble classes offered in May to get your tumbling skills solid before evaluations.

Level 1: rolls, walkovers front and back, cartwheels, round-offs

Level 2: walkovers front and back, back handsprings (standing and running)

Level 3: jumps to multiple standing back handsprings, running tucks, front tucks

Level 5: jumps to back tuck, running fulls, standing back handspring layouts.

Website:

The CCA website is a very valuable tool that you can access at any time. The web address is www.cheerchallengeva.com. There is a secure member section that is for specific information that only pertains to CCA members. New members will receive login information to access the members only site. You will also find monthly calendars and updates on the website. Please check it frequently so that you are up to date with any information.

Gym Closings:

In the event of an emergency or inclement weather, we will notify all members through email. We will also post it on the website and if possible on the gym's voicemail. We do NOT follow Chesterfield County Public schools closings, so please double check before assuming that the gym is closed.

Private Lessons:

If you are interested in your child taking private tumbling/cheering/stunting lessons at CCA, all you need to do is ask one of our staff if they are available. You are able to take private lessons any time the gym is open. The cost is \$25 per half hour and \$50 per hour. Payment is made directly to the instructor by cash or check. We cannot accept credit card payments for private lessons. You can share a lesson with a friend and split the cost. Private lessons are very effective when your child is learning a new skill or just needs some extra one on one time to get a skill perfected. **Gym accounts must be current in order to take a private lesson.**

Program Policies

Practice Policy:

Please consider all practices mandatory. Attendance is crucial to the teams success. If you are unable to make a practice you must call the gym or send an email to let the coaches know. You may be removed from the team at any time for an unexcused absence.

Excused Absences:

Contagious Illness
School function that affects grade
Death in the family
Vacation during summer (excl. choreo. dates)

Unexcused Absences:

School dance
Traffic
Too much homework
Feeling tired
Don't have a ride
Rec/Middle/High school cheerleading or any other sport
Injuries

Please do not use cheerleading practice as a way to punish your child. The team is depending on your child to be at practice.

Practices are open to parents except for the week leading up to a competition. **On competition weeks, the gym will have closed practices.** This helps ensure the kids are focused on their team without any distractions. **All practices the week leading up to a competition are MANDATORY. These practices cannot be missed for any reason. Failure to attend a practice the week of competition will result in your child not performing.** If you are bringing other children in to the gym please keep in mind that they need to stay seated and are not allowed on the equipment at any time. If you are bringing food and drink in to the gym please make sure you properly dispose of your trash.

At no point during a practice should a parent yell on to the floor, pull their child off of the floor, or come on to the practice floor. If there is a situation specific to your child and their team's practice, please see the coaches after practice or during a break. **Please remember to keep all comments made in the gym positive. We will not tolerate any parent speaking poorly of the gym, the teams, the coaches, or any child on the teams.**

Competition Policy:

All members are required to attend competitions. The final competition schedule will be sent out in August. Each individual is responsible for transportation to each competition, and lodging if necessary. We will block a set of hotel rooms for out of town events, but you are not required to stay with the team (unless it is a "Stay to Play" event). There will be a \$100 fee applied for any competitions missed for any other reason than injury. Competition fees are paid well in advance and there will not be a refund issued for any reason if a competition must be missed. Failure to turn in a competition waiver form will result in a \$10 fee.

While at competition, each CCA member and parent is a direct reflection of Cheer Challenge All-Stars. All cheerleaders must conduct themselves in a professional manner and show good sportsmanship. They are to arrive at the competition on time and in their CCA warm-up. A detailed competition itinerary will be sent out the week leading up to a competition. All members need to be present for the awards ceremony and in full uniform.

Most competitions have a spectator fee that fans and parents are required to pay to gain entry to the event. This amount varies by company, and we will publish this information with the event itinerary. Your athlete's participants fee will be covered by their competition fee that is listed on the Program Cost page.

We encourage all parents to get involved and show spirit at competitions. This helps the teams get pumped up and gives a more energetic feel to each performance. Please feel free to make signs, posters, and wear team colors.

No athlete will be allowed to perform with any piercing. No clear spacers or band-aids will be permitted to cover any piercings. Please refrain from getting any new piercings during the competition season. This a USASF safety violation and if an athlete is seen performing with a piercing, their team will have a deduction or face being disqualified.

Social Media Policy

Due to ever increasing social media sites, we are implementing a Social Media Policy for all Cheer Challenge athletes, parents, and coaches.

Social media can be a great tool for communication as well as a place to highlight pictures, videos, post positive comments and offer motivation for the teams and athletes. However, social media also has a darker side that can be used to promote poor sportsmanship and an outlet for internet bullying.

We as a gym are taking all efforts to stop any negative social media posts. As a member of Cheer Challenge, all posts to any social media site involving the CCA gym, members, or staff must be positive.

No member, staff, or parent may post negative videos, pictures, or statuses that involve any CCA athlete, staff member, or fellow parents to any social media site. Any posts that are detrimental to the CCA gym will also not be allowed.

Please remember that all posts are permanent and instant. If you feel that you are about to post something negative, please take a minute to think about what image you are putting out there for the world to see! Posting to social media is the exact same as saying it out loud! Be Responsible!
